Breakthrough Entertainment's *Antisocial* Heads to Hulu

Breakthrough Entertainment announced that Hulu acquired horror film *Antisocial* from its U.S. distributor Breaking Glass Pictures. Hulu will debut the film on Thursday, January 1, 2015. *Antisocial* is produced by Black Fawn Films. It tells the story of five university friends who get together at someone's house to celebrate New Year's Eve. While they're partying, an epidemic breaks out in the outside world, and they're forced to remain in the house as they try to discover the cause.
